

Virtual High School Meeting
June 20, 2007

- 1) Update on provider meeting
 - a. Need to communicate to schools about the process for registering through the virtual high school rather than going through the provider
 - b. Important to have this information for the legislature
- 2) Update on approved providers
 - a. Four approved providers
 - i. APEX
 - ii. NSU
 - iii. DIAL
 - iv. RC Virtual School
 - v. BHSU – classes not yet posted
 - vi. DSU – class not yet posted
 - b. Pending
 - i. NDIS – application submitted
 - ii. UNL
- 3) Concern about dual credit courses
 - a. Current articulation agreements with tech schools
 - b. Need clarification from BOR on dual credit courses and who is able to offer those
- 4) 90 courses and 110 classes approved
 - a. APEX essential classes are offered year round for credit recovery
 - b. Summer classes traditionally don't fill
 - c. Discussion regarding outside vendors filling classes within SDVHS and usage of them
 - i. Education is left to state and not outside commerce
- 5) Updates to the website were reviewed
- 6) Use of correspondence courses
 - a. Clarity was given regarding correspondence courses and it was agreed that these courses should be scrutinized
 - b. A new rubric needs to be created for approval of these courses
 - c. If the teacher is not in the time and place of the student, then the courses must be approved through the SDVHS
 - d. Timeline should be implemented – 2009 to coordinate with new high school grad requirements
- 7) Evaluation tools
 - a. Discussion of need to include eval tools to monitor courses
- 8) New Rules should be drafted and ready for Sept. meeting
 - a. Paper pencil courses
 - b. Priority of providers and courses
 - out of state providers
 - differentiated fee structure
